

A much admired song call'd

REMEMBER ME

Our ship is ready to sail away,
 Oh come across the stormy sea,
 Her snow white wings they are unfurled
 And soon shall swim a watery world,
 Do not grieve do not grieve,
 The heart is true will never deceive,
 My heart and hand I give to thee,
 Old Ireland boys remember me,

CHORUS—

Remember me remember me,
 Good bye my love remember me,
 My heart and hand I give to thee,
 Old Ireland boys remember me,

Good bye my love my soul's bright pearl,
 My lovely dark-hair'd blue-eyed girl,
 To leave you here my heart feels sore,
 Good bye my love we'll meet once more,
 Good bye my love we'll meet once more
 My heart and hand I give to thee,
 Old Ireland boys remember me
 Old Ireland boys remember me.

To leave you here my heart feels sore
 Good bye my love we'll meet once more,
 Farewell green fields and silvery tide
 And you Killarney Ireland's pride,
 For many a long summers day,
 We loiter'd many a long hour away
 My heart and hand I give to thee,
 Old Ireland boys remember me,

I cruise'd away I drank away,
 With you my bonny lassie gay,
 For I have loiter'd many an hour away
 The nights pass'd now comes the day,
 Alas my friends I am away,
 Here's my hand but you have my heart,
 My heart and hand I give to thee,
 Old Ireland boys remember me,
